Driscoll Catholic High School Legacy Hall Project

A small group of Driscoll Catholic supporters have been working diligently over these past several months to create a lasting legacy for Driscoll Catholic. We feel this work is vital in order to provide a place to reminisce about the great days of Driscoll and to preserve its rich heritage. Our school may be closed, but the memories, legacy, and excellence that were Driscoll Catholic will live on forever.

We are constructing a Legacy Hall in the South Wing of the Addison Village Hall where many significant Driscoll memorabilia will be on permanent display for all to see. Village officials, led by Mayor Larry Hartwig, have graciously donated the space for us to house and display our treasures. The beautiful grounds surrounding the Addison Village Hall are also available to hold future class reunions. The majority of costs to design, engineer, and build the legacy hall have, to this point, been privately funded. We ask that you consider donating to this cause in order to help offset the costs that have already been incurred.

We are having our **DEDICATION** and **GRAND OPENING EVENT** for the Legacy Hall on **APRIL 16, 2010** (Friday evening). The ceremonies and dedications will begin at 7:00 P.M. with speakers such as Laraine Parker, Mayor Larry Hartwig, Gene Faut and Tim Racki. A ribbon cutting ceremony by Mayor Hartwig will follow. We invite all alumni, parents, faculty, supporters and friends of Driscoll Catholic to attend. It will be an evening to remember. Refreshments will be served. **ALL ARE WELCOME!**

We hope you will be able to join us.
